

Flexi Membership

Bundoran Golf Club

Meeting the needs of the modern day golfer.

The Club has introduced this membership as we feel it may meet your requirements, by recognising that family time, work commitments has left people with less spare time for golf and other activities.

Benefits of Flexi Membership

- >Access to Club Competitions (Flexi members can't win the Captain's & President's prizes)
- >Play when it suits you
- >Use of the Club's Practice facilities
- >Reduced rates in the Clubhouse Bar. Golf Ireland issues a Golf Ireland Membership Card, upon payment of the Golf Ireland Affiliation Fee. This Bar card which may be used to enter Club competitions and when used in the Bar, a 10% discount for beverage/food purchases is applied. Members top up the Bar card in the Bar or via the Club V1App.

How Flexi Membership Works

- > Simply apply by completing the Application Form Online or call to the Club to complete the Form, pay your subscription and that's it. You will be supplied with a Golf Ireland Card confirming your membership. The Club reviews the number of rounds you have played and your membership may be recategorized.
- >Payment covers 20 rounds of golf per annum, be they 9, 14 or 18 hole rounds. The Club, through the BRS Online Booking System, is able to advise you of the number of rounds you have played. When you have played 20 rounds, just 'top-up' your sub.
- >Minimum 'top-up' is €150.
- >There is no 'carry-forward' of unused rounds.
- >Flexi Members may play any time of the year & must use the Online Booking system
- >Flexi Members who have exceeded their 'allowance' and continue to play, without topping -up will have their playing rights revoked immediately.

Please note the Club may make changes to the administration of the Flexi Membership from time to time, such as greater use of the Golf Ireland Card. You will be advised of any changes. These changes will not be detrimental to your enjoyment of the facilities at Bundoran Golf Club.
